Finishing...Figure

Weave flesh yarn through 6 stitches on needle, pull tight and sew up the back of the head, fasten off and cut the sewn thread and that of the colour changes with about an inch left—push the ends into the head cavity and stuff with toy stuffing (gently so as not to stretch your stitches too much).
 Using Body yarn tail sew up the back of the body leaving the cast on edge open for finger.

Pattern... Scarf

Cast on 20 stitches using scarf colour
 Cast off all 20 stitches

Finishing...Scarf

Weave in ends.
 Wrap around figure neck area and stitch through all layers of scarf and neck to fasten stuffing inside head, tie off and weave in end.
 Either draw or embroider a face on your finger bob.
