

## Materials

100g (120-140m) Chunky/bulky weight yarn (Stylecraft Chunky used in scarf pictured).

8 x 15mm buttons

## Needles & Notions

6mm needles for knitting flat.

Large, blunt-ended knitter's needle for sewing up.

Needle and co-ordinating sewing thread for attaching buttons.

## Abbreviations

k – knit

p – purl

p3tog – purl three together.

yrn – yarn round needle. Take yarn over needle and return it to the front of work ready for the next purl stitch.

MK – make knot. P3tog, leaving stitches on left needle, yrn, then p3tog the same three stitches, this time dropping them from left needle.

# Squoffle

This warm and stylish scarflette is very quick and simple to make. It would look gorgeous in your favourite luxury yarn, but it is equally suitable for man made fibres as the stitch used lays completely flat.

Gauge: 16sts per 10cm/4" in Squoffle stitch.

**Instructions:**

c/o 26 stitches.

**Rows 1-5:** Knit.

**Row 6:** p1, [mk] 8 times, p1.

Repeat these 6 rows until knitting measures 85 cm (35"), or 80cm (31") if you plan on blocking the scarf once finished.

Knit 5 more rows then b/o all stitches.

**Finishing:**

After blocking (if required) lay one end over the other at a 90° angle, as in main picture. The eyelets of the lace pattern serve as buttonholes. Note where the 1st, 3rd, 5th and 7th buttonholes of the bottom edge lay and sew buttons onto the corresponding areas on the lower layer of the scarf. Add a second row of buttons in the same manner to correspond with eyelets in the 5th row of lace pattern.
