

1002. Daisy Flower Crochet Pattern

The **Flat Daisy Flower** is a beginner crochet pattern - easy and fast.

Recommended yarn: medium weight or worsted weight (weight category #4). I used Red Heart Super Saver.

Recommended crochet hook: I9/5.5 mm or J10/6.00 mm

Stitches and abbreviations used: CH - chain, SC - single crochet, DC - double crochet, slip stitch.

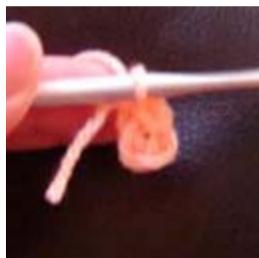

You can make the Daisy Flower in one color or in two different colors for the center and the petals . Approximate size of the ready Daisy is 2 inches (5.1 cm) in diameter.

The Center of the Flower:

Step 1. CH 3 (make a chain of 3 stitches)

Step 2. Join this chain in a ring with a slip stitch

Step 3. SC 6 in the ring (make 6 single crochet stitches in the center of the ring) and finish with a slip stitch. This is the center of the flower.

Step 4. Attach the yarn for the petals (orange yarn in the picture)

If you use the same color for the petals - skip **Step 4** and go to **Step 5**

The Petals of the Flower:

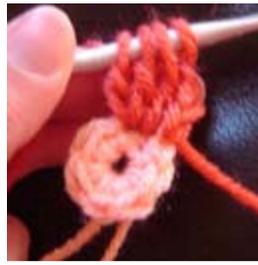

Step 5. First petal: CH 3 (make a chain of 3 stitches)

Step 6. Make a DC (Double Crochet) in the same stitch of the center of the flower as the base of the CH 3). Do not finish this DC, leave 2 loops on the hook.

Step 7. Make another DC (double crochet stitch) in the same place and do not finish it, (i.e. draw the yarn through 2 loops only once) - now you have 3 loops on your crochet hook

Step 8. Repeat **Step 7** one more time: make a DC in the same stitch and do not finish it (draw the yarn through 2 loops only once) and now you have 4 loops on your hook.

Step 9. Yarn over the crochet hook and draw the yarn through all 4 loops you have on your hook.

Step 10. Make a slip stitch in the next following stitch of the center of the flower. The first petal is ready.

Step 11. The second petal: repeat steps 5-10 for the next petal. Make 4 more petals (total number of petals should be 6)

The last petal and the ready crochet daisy flower.

NOTE: You can change the pattern a little and make more or less than 6 petals for the flower. The number of petals equals to the number of Single Crochet stitches (SCs) you make in the ring in the **Step 3** (for example, 5 SCs for 5 petals, 7 SCs for 7 petals).
