designed by Renate Haeckler

## Abbreviations:

**K** - Knit

**YO** - yarn over

**SSK** - slip, slip, knit slipped stitches tog.

**SSSK** - slip, slip, slip, knit three slipped stitches together.

**K2 TOG** - knit two stitches as if they were one.

**K3 TOG** - knit three stitches as if they were one.

**KFB** - knit front and back of loop - making two stitches from one.

**K3 INTO 1** - knit, yo, knit in the same stitch - making three stitches from one.

**S2KP2** - centered double decrease. sl2, k1, p2sso is an abbreviation for slip two, knit one, pass two over. Slip two stitches together as if to knit, knit one stitch, then pass the two slipped stitches over the stitch you just knit. This results in a centered double decrease.

**PPSO** - pass previous stitch over.

**BO** - bind off. When it says how many to bind off, count by the number of finished stitch loops you've done. When binding off to the next feather - on the purl side the stitch left on the needle

should be the first feather stitch you come to. On the knit side you bind off to the last stitch BEFORE the first feather stitch. You'll see when you get there. Bind off VERY LOOSELY or the edges will curl outward.
