HELLO CROCHETER!

- 2- Size G (4 mm) crochet hook
- 3- Tapestry needle
- 4- Stitch marker

ABBREVIATIONS:

ch: chain

sc: single crochet

dec: single crochet decrease

R: round

**rep: repeat stitches between the asterisks

st(s): stitch(es)

HOW TO...

WORKING INTO THE FRONT LOOP ONLY

All stitches are worked in both loops of the stitch, unless otherwise directed.

1. Look for the V's across the top of the stitches.

2. Insert the hook underneath the front loop of each V.

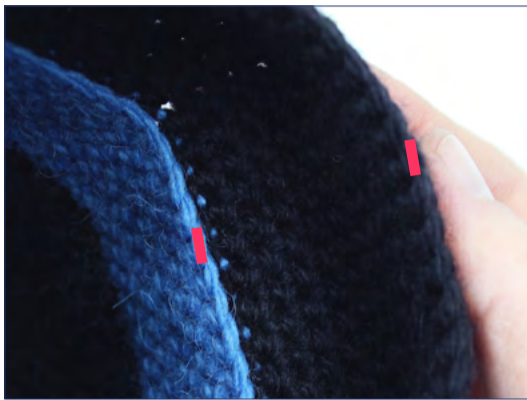

3. Make a simple crochet. Continue working through the front loop all around the hat.

4. You will use the back loops later to join the hat brim together.

JOIN THE HAT BRIM TOGETHER

1. Let's join both sides of the hat brim together, using the back loop of every stitch you left in the beginning of the hat brim and the stitches of last row worked.

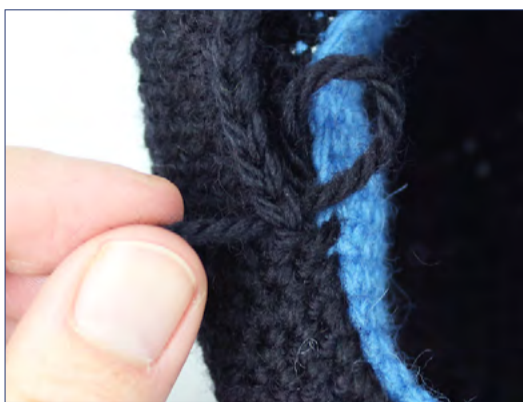

2. Flatten the hat brim.

3. Now you have the corresponding stitches of both hat brim sides together.

4. Thread a yarn needle with the long black yarn end you left for sewing. Insert the needle through the loop of the corresponding stitches on both hat brim sides.

5. Draw the yarn all the way through, but do not pull it overly tight.

6. Repeat steps 4 and 5 for each stitch around the two sides of the hat brim. Fasten off and weave in ends. This is the result!
