Crochet Memories & The Country Willow Sampler Lapghan Crochet-a-long

I'm wicked excited to be a part of this VERY fun crochet along! I was proud and happy to be asked to design one of 36 squares, which put together will make an amazing sampler lapghan. I think a lot of us are making extras of some of the squares, to make a slightly larger blanket, and I hope you do too.

You can join in anytime and the group is having a ton of fun! For more info go to [crochet memories](#)

If you are new to my designs, I specialize in easy, beginner friendly accessories, and have been published in various magazines over the last few years, and I'd love to have you drop by my group, [Anastacia Knits Designs](#), or [visit my designs on Ravelry](#).
