### **Pant ruffle**

With pink make chain long enough to go around the V's on leg then add a few more sts. Making sure you don't twist ch join with slst.

Make ruffles same as on sleeves. To stitch ruffles to pants first hand stitch ruffle to inside of pants about half inch from cut edge then machine stitch it on twice. After that you can fray the ends of the jeans.

(rnd5) Working on posts of rnd 3 (sc on post, ch 7) around slst on 1<sup>st</sup> sc.

(rnd6) Slst in ch 3 loop ch 1 (sc, hdc, 7dc, hdc, sc) in each ch 3 space around.

Finish off weave in ends.

## Meandering lines

With white make a long chain (about 500) but don't cut off just in case if you want to make it longer. Hand stitch it on meandering around. On mine I used the chain to cover machine stitches. Try to get the chain to end at the same place and begin and end where you want to place the flowers. Hand stitch on flowers.

This is my pattern and I own the rights to it. You may make the outfit for resale but please do not reproduce the pattern for any reason.
