

Simple Textured Washcloth

Materials:

- *size -H- hook
- *yarn needle
- *about 78 yards of WW cotton yarn (plus a small amount in a contrasting color for trim). Acrylic yarn makes good dishcloths.

This cloth is 10" by 10" square including trim. Yours may be slightly larger or smaller depending on how tightly you crochet.

NOTES:

In every row dc will be placed in sc of previous row and sc will be placed in dc of previous row. Chain 2 at the beginning of row counts as dc. To make a dish cloth instead of a washcloth start with a chain of 24 instead of 30 and continue pattern as normal.
