## Scarf Pattern

### Foundation Row:

Ch 4, (3 dc, ch 2, 3 dc) in forth ch from hook, {ch 1, turn, sl st into next 3 dc and into the ch 2 space, (3 dc, ch 2, 3 dc) in ch 2 sp} repeat {to} till you have your desired width if making a cowl or till you have your desired length if you are making a scarf. Do not finish off.

**Row 1:** (you will be working down the side of the foundation row), Ch 6 (counts as tr and ch,2), {tr, ch 2 in next dc that is sticking out} repeat {to } till last dc group, tr in last dc group.

**Row 2:** Ch 3 (counts as a dc), sk 2 ch, make 2 more dc in same starting st, {sk 2 ch, 3 dc in next tr}, repeat {to}.

**Row 3:** Ch 2, dc2tog in the next two dc, {ch 2, dc3tog in the next 3 dc}, repeat {to}.

**Row 4:** Ch 8, sl st in forth ch made ( tr, picot just made), {ch 2, Tr in dc3tog, picot}, repeat {to}. Finish off.

Repeat rows 1 through 4 on the other side of the foundation row.

(If you want to add color to the scarf like the picture you will change color at row 2, and change back at row 4.)

**To make the cowl: (connect the strips together)**

Make the scarf pattern (1 strip)

Repeat the scarf pattern on one side (2<sup>nd</sup> strip)

On the second side of the foundation row  
repeat rows 1- 3:

**Row 4 for joining piece:** Ch 6, sl st into first strip's first picot, ch 2, sl st into forth ch of beginning ch 6, {ch 2, tr in dc3tog, ch 2, sl st in next picot of first strip, ch 2, sl st into tr just made}, repeat {to} till all picots are joined.

For the last strip you make for the cowl you will be repeating the second row 4 on each side, joining up both sides.
