I created a little pompom with a pompom maker, ofcourse you could also make them the old fashioned way, or buy some. If you are not able to make/buy one, you could also crochet him.

R7: dec around (6)

Fasten off.

I glued on two little giggly eyes and crocheted a tail: ch 60. Make sure it is long enough to wrap around the witches neck. Sew to pompom. Glue or sew the little monster to the hat.

**Finishing:**

Glue on eyes.

Take a red pencil or some make up to create a little blush.

Happy Halloween!!!
