Crochet Quickie: Cup Cozy

How did it get to be the last week before winter holiday break again and I have NOTHING for the teachers? Didn't I promise myself last year that this wasn't going to happen... AGAIN? If you're in the same boat (whether it's for teachers, the mail carrier, your hair stylist, etc.), you're in luck. This little cozy is quick to make and a delight to give!

PART 3: DECORATING

1. Using another complementary color, top stitch around the top and bottom edges of your cozy using a surface slip stitch (optional). See below for example:

2. Embroider a design (I used snowflakes), or attach buttons or appliques to dress up your cozies. The options are endless!
3. Use the free printable (last page) to add your own personal to-from message.
