Like Bella Swan's luck at First Beach (in *New Moon* by Stephenie Meyer), this blanket is reversible. The cables are, anyway, and the purl side of the Flame Chevron panels looks like bubbles rushing to the surface. The blanket is knit in one piece, so the panels do not need to be seamed.

## Stitch Techniques

K = knit, P = purl

Cable 12 front: Place the next six stitches on the cable needle and hold to the front of the work. Work the following six stitches in pattern, then work the stitches on the cable needle in pattern.

Cable 12 back: Same as above, except hold stitches on the cable needle to the back of the work.

Decreasing stitches -- SSK (slip, slip, knit) and K2tog (knit two stitches together)

Increasing stitches -- YO (yarn over)

Sewn Bind Off, optional
