

CERUS SCARF

MATERIALS

4 balls of Rowan Tapestry (131 yds/120 m per ball) in color 170 or 450 yds/411 m of a similar yarn (see <http://www.theyarniad.com/2011/09/cerus-yarn-substitutions.html>)
US 8 (5mm) circular needle, at least 40"
Tapestry Needle (for weaving ends)

GAUGE

26 sts per 4"/10 cm in Linen St (row gauge is not important). Note: Tapestry has an advertised gauge of 22 sts per 4"/10 cm in Stockinette with US 6 needles

FINISHED SIZE

7.25 x 54"/18.5 x 137 cm

ABBREVIATIONS

CO cast on
k knit
p purl
RS right side
sl slip (as if to purl)
st(s) stitch(es)
wyif with yarn in front
wyib with yarn in back

NOTES

This scarf is worked in Linen Stitch lengthwise: each row is worked across the entire length of the scarf, rather than along the width. For a longer or shorter scarf, cast on more/fewer stitches. For a thicker or thinner scarf, work more/fewer rows.

PATTERN

Using the long-tail method, CO 355 sts (or number desired, as long as it is an *odd number*).

Work Linen Stitch thusly for 7.25" (or desired thickness of scarf):

Row 1 (RS): k1, *sl 1 wyif, k1; rep from * all the way across

Row 2: k1, p1, *sl1 wyib, p1; rep from * until 1 st remains, k1

Bind off all sts in Linen Stitch on next RS row (e.g. k1, sl 1, pull 1st st worked over 2nd, k1, pull 1st st over 2nd, sl 1, pull 1st st over 2nd, etc.) and weave in ends. Block as desired.

Thank you for downloading Cerus!
