knitwear for your beloved caffeinated bevy  by Tin Can Knits

There are many cities in the world with coffee culture, but in the Pacific Northwest perpetually overcast skies and rainy days make our daily caffeine intake a ritualized necessity.

When I meet up with friends we inevitably end up at one of about a million coffee shops, laughing and sipping (and often knitting). This coffee cozy fits with the vibe of Main Street. It is a great project for using up odds and ends, and makes a cute gift for your coffee companions!

sizing: One size fits most; 7" around by 4.5" tall

materials:

- Yarn:** 50 yds DK weight yarn
(we used [Rowan Tweed](#) in 'reeth' and 'wensley')
- Needles:** US #5 / 3.75 mm (or as required to meet gauge)
- Gauge:** 22 sts / 4" in stockinette stitch
- Notions:** cable needle, stitch markers, darning needle
