## Simple Mobius

---

### Description

An easy way to make a Mobius using 12ply boucle mohair yarn. 100gms of yarn is 200 meters and because its boucle – just use garter stitch, no purl. This pattern involves knitting a shaped strip to give a slight V at the back when worn. You then sew it together to make a Mobius.

### Materials

10mm knitting needles  
100gms (200 meters) of Colored Jules Boucle Mohair (12ply)  
Darning needle for sewing up

3 markers - 2 of one color and 1 of a different colour – you can use elastic hair ties or bits of coloured wool.

### Abbreviations

Sts = Stitches

k2tog = knit 2 sts. together

**TIP – You do not knit your markers into your work – move them from the left needle to the right needle when you come to them.**

## Sewing Up

Lie your garment flat and twist to match side edges as shown below. Bring left edge 1 to meet right edge 1 and left edge 2 to meet right edge 2, creating a twist.

Sew edges together using an invisible seam technique. Most knitting books will have one.
