

Colored Jules

One Hank Poncho

Description

This is actually a pattern designed by my husband Trevor. Taught him to knit one week and he came up with this pattern the following week!

This simple poncho is knitted on large needles all in one piece and fits an average sized adult. Looks small when you are knitting it but drops when you take it off the needles. It is made by increasing, casting on and off to make the neck and then decreasing back to a point. Takes about 4 hours to make.

Materials

15mm (US 19) knitting needles
1x 100gms Colored Jules Hand Dyed Boucle Mohair or at least 200 meters of yarn.
6mm crochet hook or darning needle

Tension

Knit as loosely as you can, especially when casting on and off at the neck edge, or you won't be able to get your head through it. The looser you knit, the bigger it will be.

Tip

Use an elastic band around one needle to help you remember which row you are increasing on.

Pattern

Cast on 3 stitches.

Colored Jules Wool on the Web - Unique Hand Dyed Mohair Pattern

Increase at beginning and end of each row by knitting into the front and the back of the first and last stitch until you have 35 stitches.

Increase only each end of every second row until you have 59 sts.

Knit 22 sts. Loosely cast off 15sts, knit 22 sts.

Knit 22 sts, turn work. Loosely cast on 15sts and turn work back again. Knit across remaining sts.

Decrease each end of next row and every alternative row until you have 35 sts. (Decrease by knitting 2sts together).

Decrease at each end of each row until you have 3sts left.

Cast off.

To make up: Crochet a row of double crochet using 6mm hook around the neck to make sure it stays firm. If you cannot crochet, darn around the neck using blanket stitch.
